

Backgrounder: Ontario Universities Among the Most Efficient in the Country

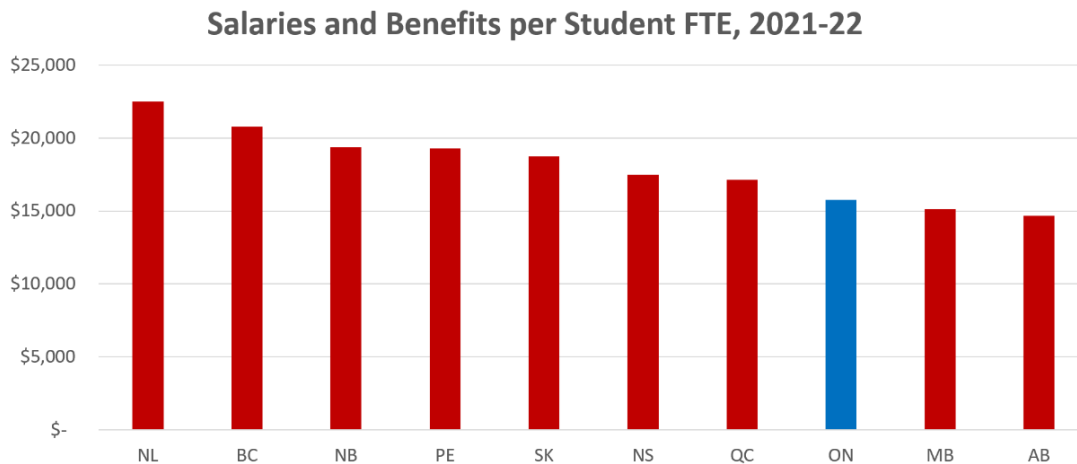

November 2024

Backgrounder: Ontario Universities Among the Most Efficient in the Country

Blue-Ribbon Panel [Report](#): "...salary and benefit costs in Ontario's universities per full-time equivalent student are lower than in almost every other province."

Ontario Universities Among the Most Efficient in the Country

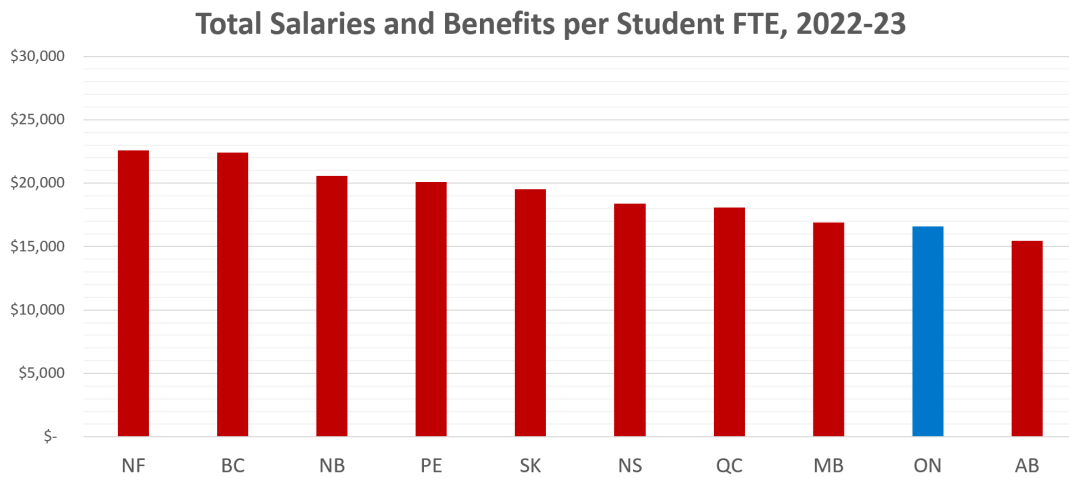

Notes: Includes all operating fund salaries and benefit expenses. FTEs are calculated as 1 fall full-time headcount = 1 FTE and 3.5 part-time fall headcounts = 1 FTE.

Source: [CAUBO, Financial Information of Universities and Colleges \(FIUC\)](#), and Statistics Canada, [Table 37-10-0011-01](#).

Since the Blue-Ribbon Panel issued its report more than a year ago – Ontario’s universities have moved from third-most efficient in Canada to second.

Update: Ontario Universities Among the Most Efficient in the Country

Notes: Includes all operating fund salaries and benefit expenses. FTEs are calculated as 1 fall full-time headcount = 1 FTE and 3.5 part-time fall headcounts = 1 FTE.
