Source: Ministry of Colleges and Universities

Notes:

1. Total numbers include students who are not conferred any credentials (i.e. "None"). This category is not listed separately since the numbers are very small.
2. Diplomas/ Certificates - Undergraduate and graduate diplomas/certificates were reported as separate categories before 2005. This table combines them and reports both under the same category. They were reported under the same category since 2006.
3. The names of the categories were renamed in 2006. "Bachelor Degrees" was referred to as "Undergraduate" before 2006, "Master Degrees" as "Graduate", and "Ph.D. and Equivalents" as "Doctoral".
